

FAASTeam presents:

## **Extended Preflight - Beyond the Manufacturer's Checklist.**

Preflight - the aircraft and beyond. A review of events that actually were a result of preflight planning and situational awareness during the preflight. Tips and Tricks to help you be a better more cognizant pilot. Be more vigilant on your next preflight to assure yourself the aircraft is airworthy before you fly. This information is designed to assist a pilot by enhancing their aircraft preflight knowledge beyond the standard use of their preflight checklist. This program teaches pilots additional items and techniques they can apply to their preflight inspection in conjunction with their standard aircraft preflight checklist to help reduce their risk of an accident. Click the link below and register TODAY.

**Directions:** Exit 8 of the Everett Turnpike down the intersection of Somerset Parkway and Rt 101A West/Amherst St, Take a right onto Rt 101A West. About 1 mile, take a left on to Cobham Park, immediately after Sunnyside Acura.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
